

*A note
for your venue.*

Guests stay longer when phones stay charged.

We place a small, self-contained station at your bar or reception. Guests rent a power bank in two seconds and return it at any NOLO location on the island. No app. No account. €3 an hour.

The NOLO station · 24.5 × 20 × 43 cm.

WHAT YOU GET

<i>Hardware</i>	Free. We install it, we stock it, we service it.

*How it
actually works.*

Three steps. Two seconds.

i. Tap

Guest taps to pay or scans the QR. No downloads, no account. The clock starts and stops on its own.

ii. Charge

A power bank lights up. **8,000 mAh**, fast charge, with three short built-in cables — iPhone, USB-C, micro-USB.

iii. Return

Any NOLO station on the island. The dot travels with the guest.
